NATA and NAASE

The **National Association for Temple Administration (NATA)** and the **North American Association of Synagogue Executives (NAASE)** invite you to join us for our conference, **“The One for Synagogue Executives”**. Together, our two organizations are the professional homes for hundreds of synagogue executives across North America. These organizations empower synagogue administrators by advancing professional development, fostering peer support, and raising the profile of executive leadership within the Jewish community. By joining us for this program, you connect directly with the key decision-makers who manage the operations, finances, and strategic growth of congregations worldwide.

Why Exhibit at the Conference?

This year, NATA and NAASE members will gather together to share four days of intensive learning and relationship building, offering you exclusive access to a larger audience without the added time or expense of attending two separate events. **As the key decision makers in their synagogues, our members arrive eager to discover innovations in products, services, and organizations that enhance their congregations’ operations year-round.**

Your exhibit package for “The One for Synagogue Executives” Conference provides:

- Face-to-face conversations with key decision makers at scores of synagogues,
- Opportunities to deepen existing client relationships and build foundations for new ones, and
- Support that helps make the conference available to as many members as possible.

The 2026 Conference offers an unparalleled opportunity to connect directly with more senior administrative professionals than ever before.

Can’t be there in person? Consider being a Virtual Exhibitor!

Enhanced Exhibitor Access: Exhibitor representatives enjoy access to all educational sessions. Your representative(s) will experience first-hand what our members are learning, mingle with attendees at receptions and banquets, and enjoy kosher meals (Monday night through Thursday morning (with the exception of Tuesday night)) throughout the conference.

Thank you for considering attending “The One for Synagogue Executives”! We look forward to being together in New Brunswick. Logistical details to follow.

Sincerely,

Justin Pollack and Ken Krivitzky

Exhibitor Educational Workshop Policy

Exhibitors are valued partners in our conference ecosystem. While their primary role is to showcase products, services, and solutions within the exhibit hall, we welcome their expertise in our educational programming under the following guidelines:

Eligibility & Expectations

- Exhibit in accordance with exhibitor agreements
- Clearly identify organizational affiliation in all conference activities

Educational Sessions: Exhibitors may submit proposals to present educational sessions.

If accepted:

- Sessions must be educational and non-promotional
- Exhibitors are not eligible for speaker fees or compensation
- Exhibitor status must be disclosed in session materials and program listings

For more information about Educational Workshops contact the NATA or NAASE office to be connected with our Education chairs.
